SUBSTITUTE AMENDMENT
IN RESPONSE TO NOTICE OF NON-COMPLIANT AMENDMENT

In response to the Notice of Non-Compliant Amendment dated 08/09/2007, applicant hereby re-submits amendments earlier submitted June 12, 2007. This presentation is believed to have proper status identifiers and underlines/strike throughs for all claims including claims 29 and 30.

In particular, it has been discovered that claim 29 as presented June 12, 2007 failed to include the amendments earlier made on May 21, 2007. Those amendments have now been incorporated in claim 29 and the identifier "previously presented" is therefore believed to be accurate and correct.

With respect to claim 30, the undersigned can find no error. That is, claim 30 as presented June 12, 2007 simply incorporates the amendments that were made on May 21, 2007

and therefore was properly identified as "previously presented". No underlines or strike throughs are believed necessary for either claim 29 or 30 because both were "previously presented" in the amendment of May 21, 2007.

If any remaining formality issues are found, it is respectfully requested that the undersigned be telephoned for prompt resolution.
